REDEFINE NETWORKING.

A \$429B Market primed for disruption

Growing 800%

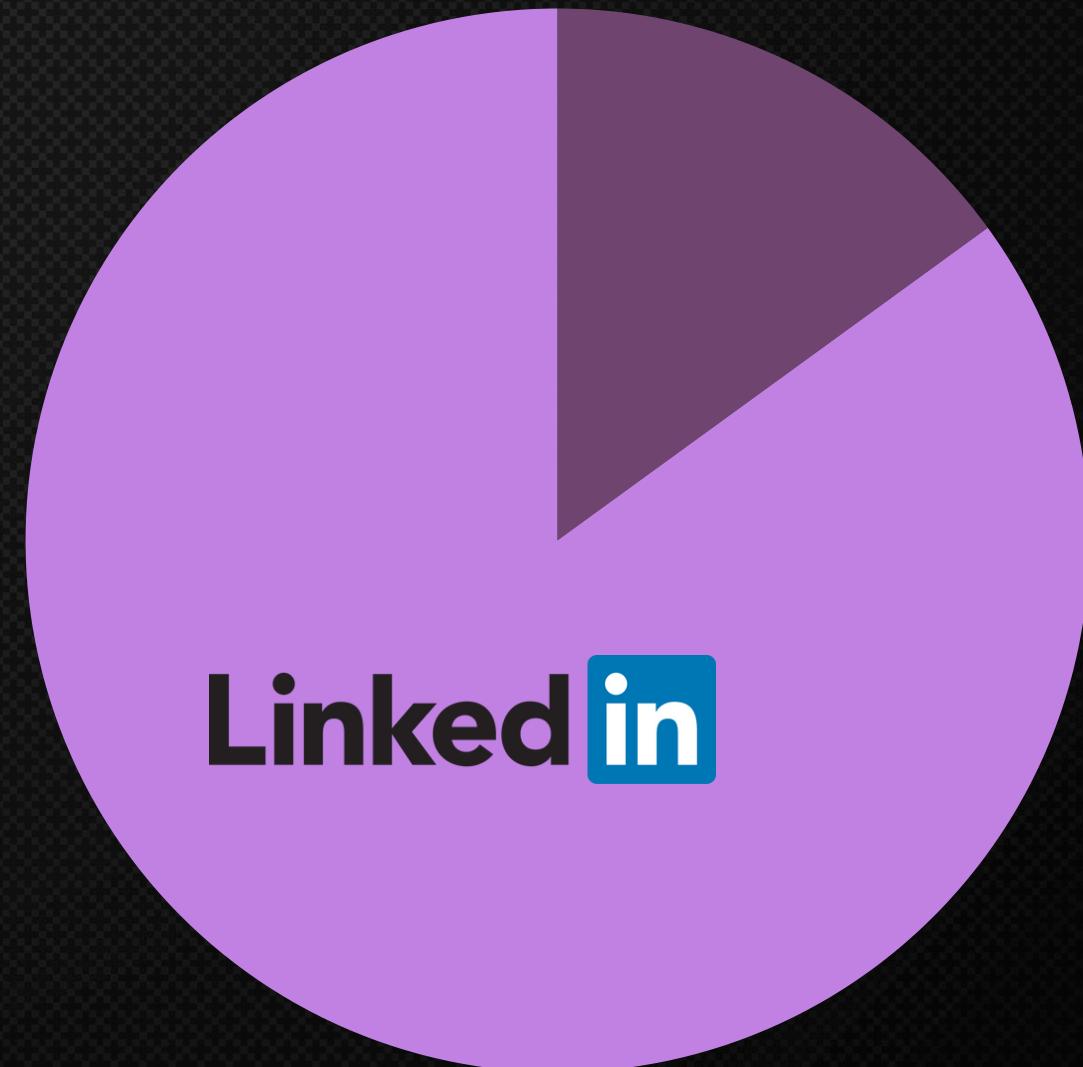

Networking is a \$56B global market, and will grow to \$429B by 2032.

Heavily monopolized

LinkedIn owns 85% but fails to meet modern needs.

Unmet demand

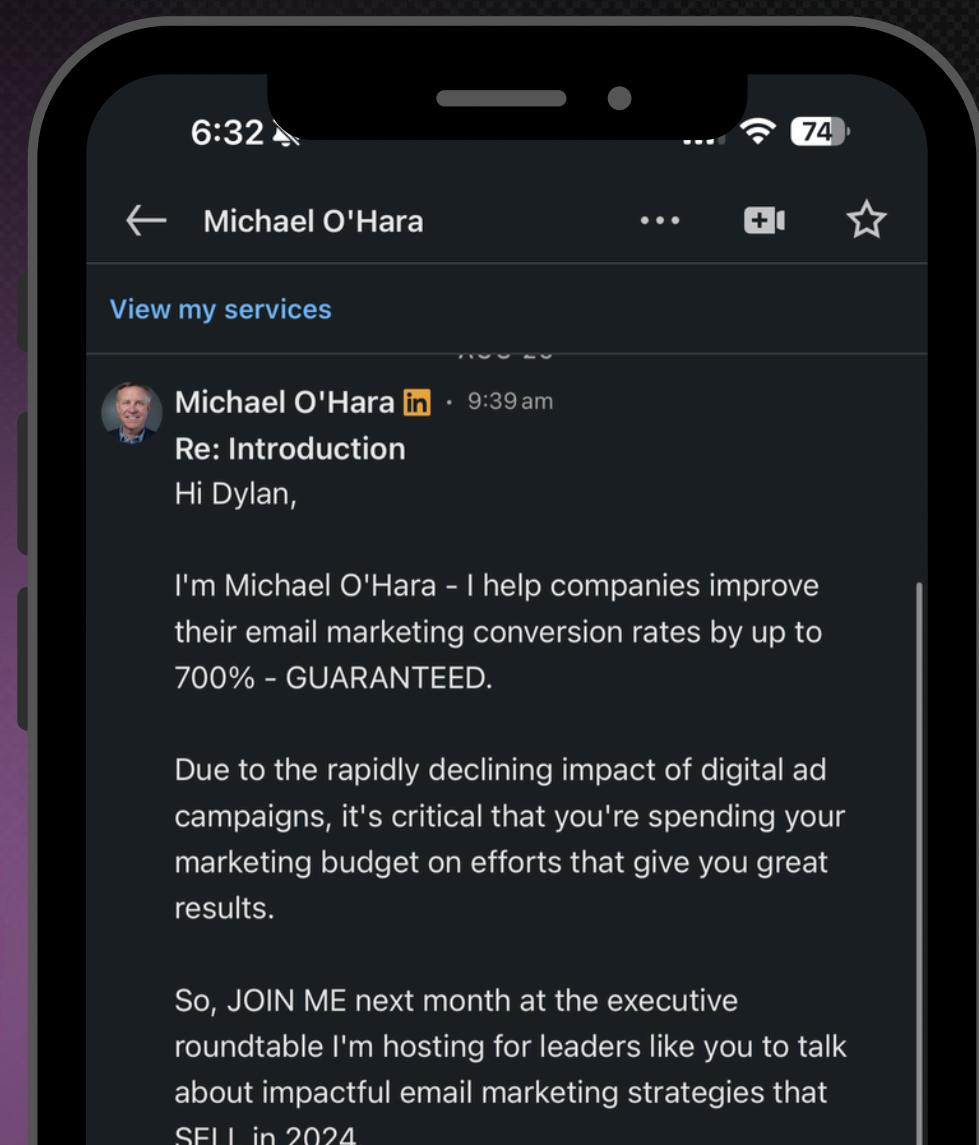

Shrinking networks post-COVID are fueling demand for new platforms.

Linkedin is broken

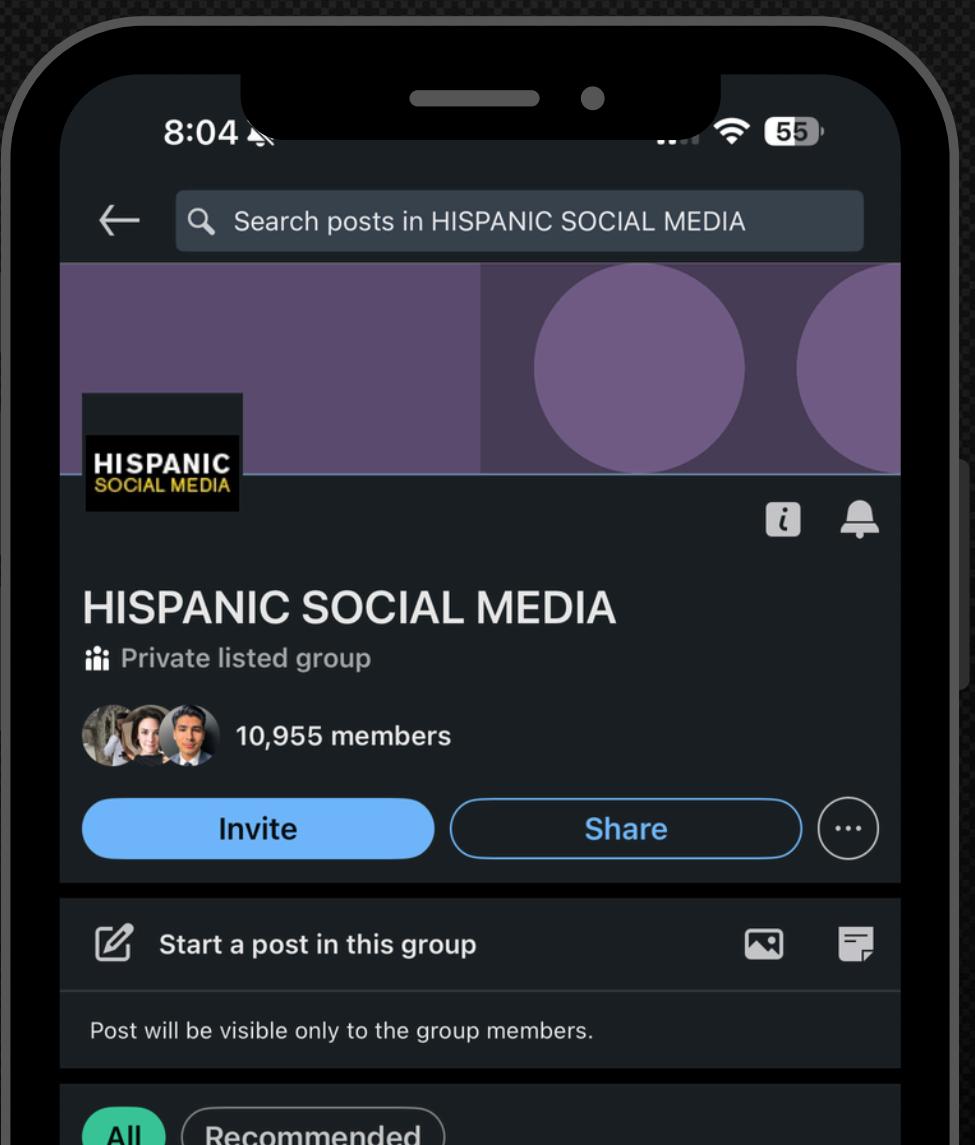

Spammy & transactional

Too transactional to form a real network

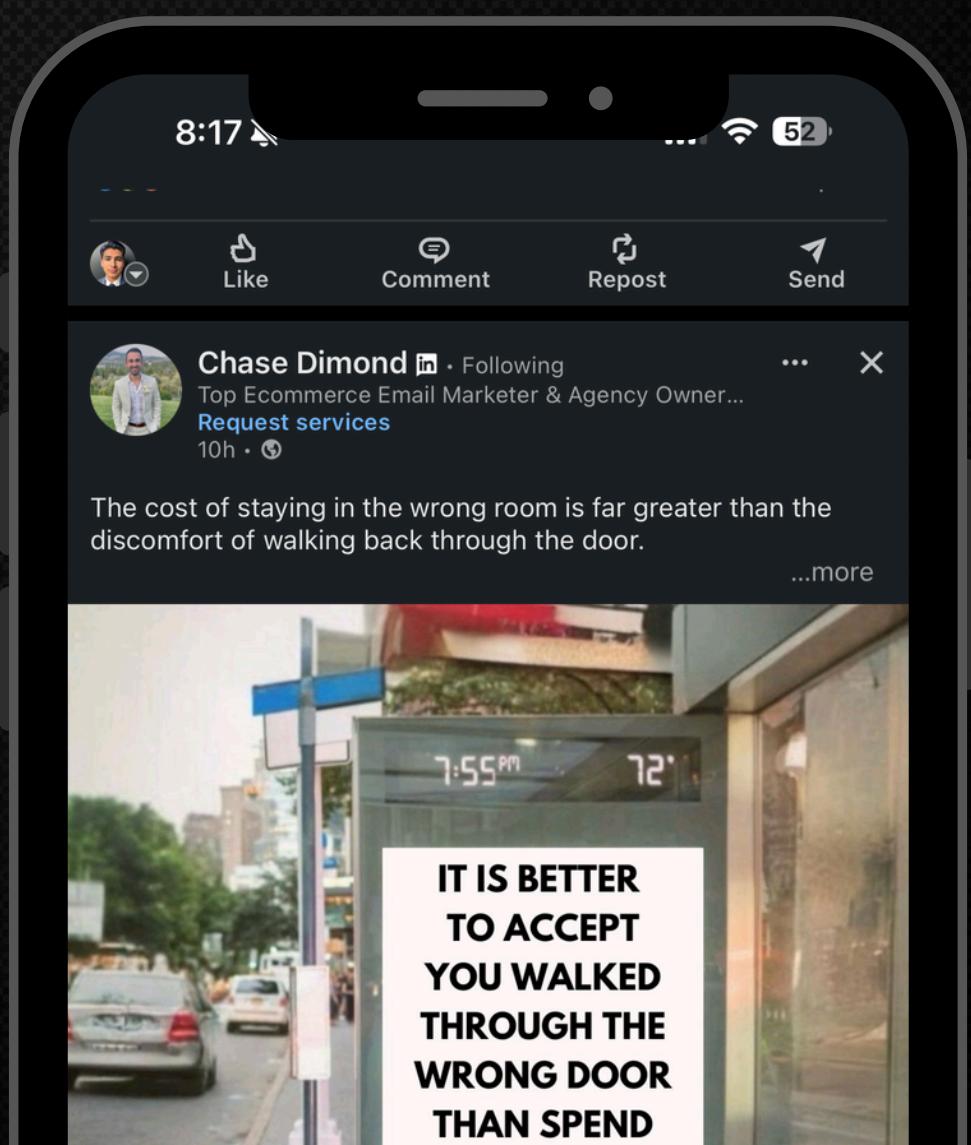

No local focus

Lacks a local focus for in-person networking

Content > connection

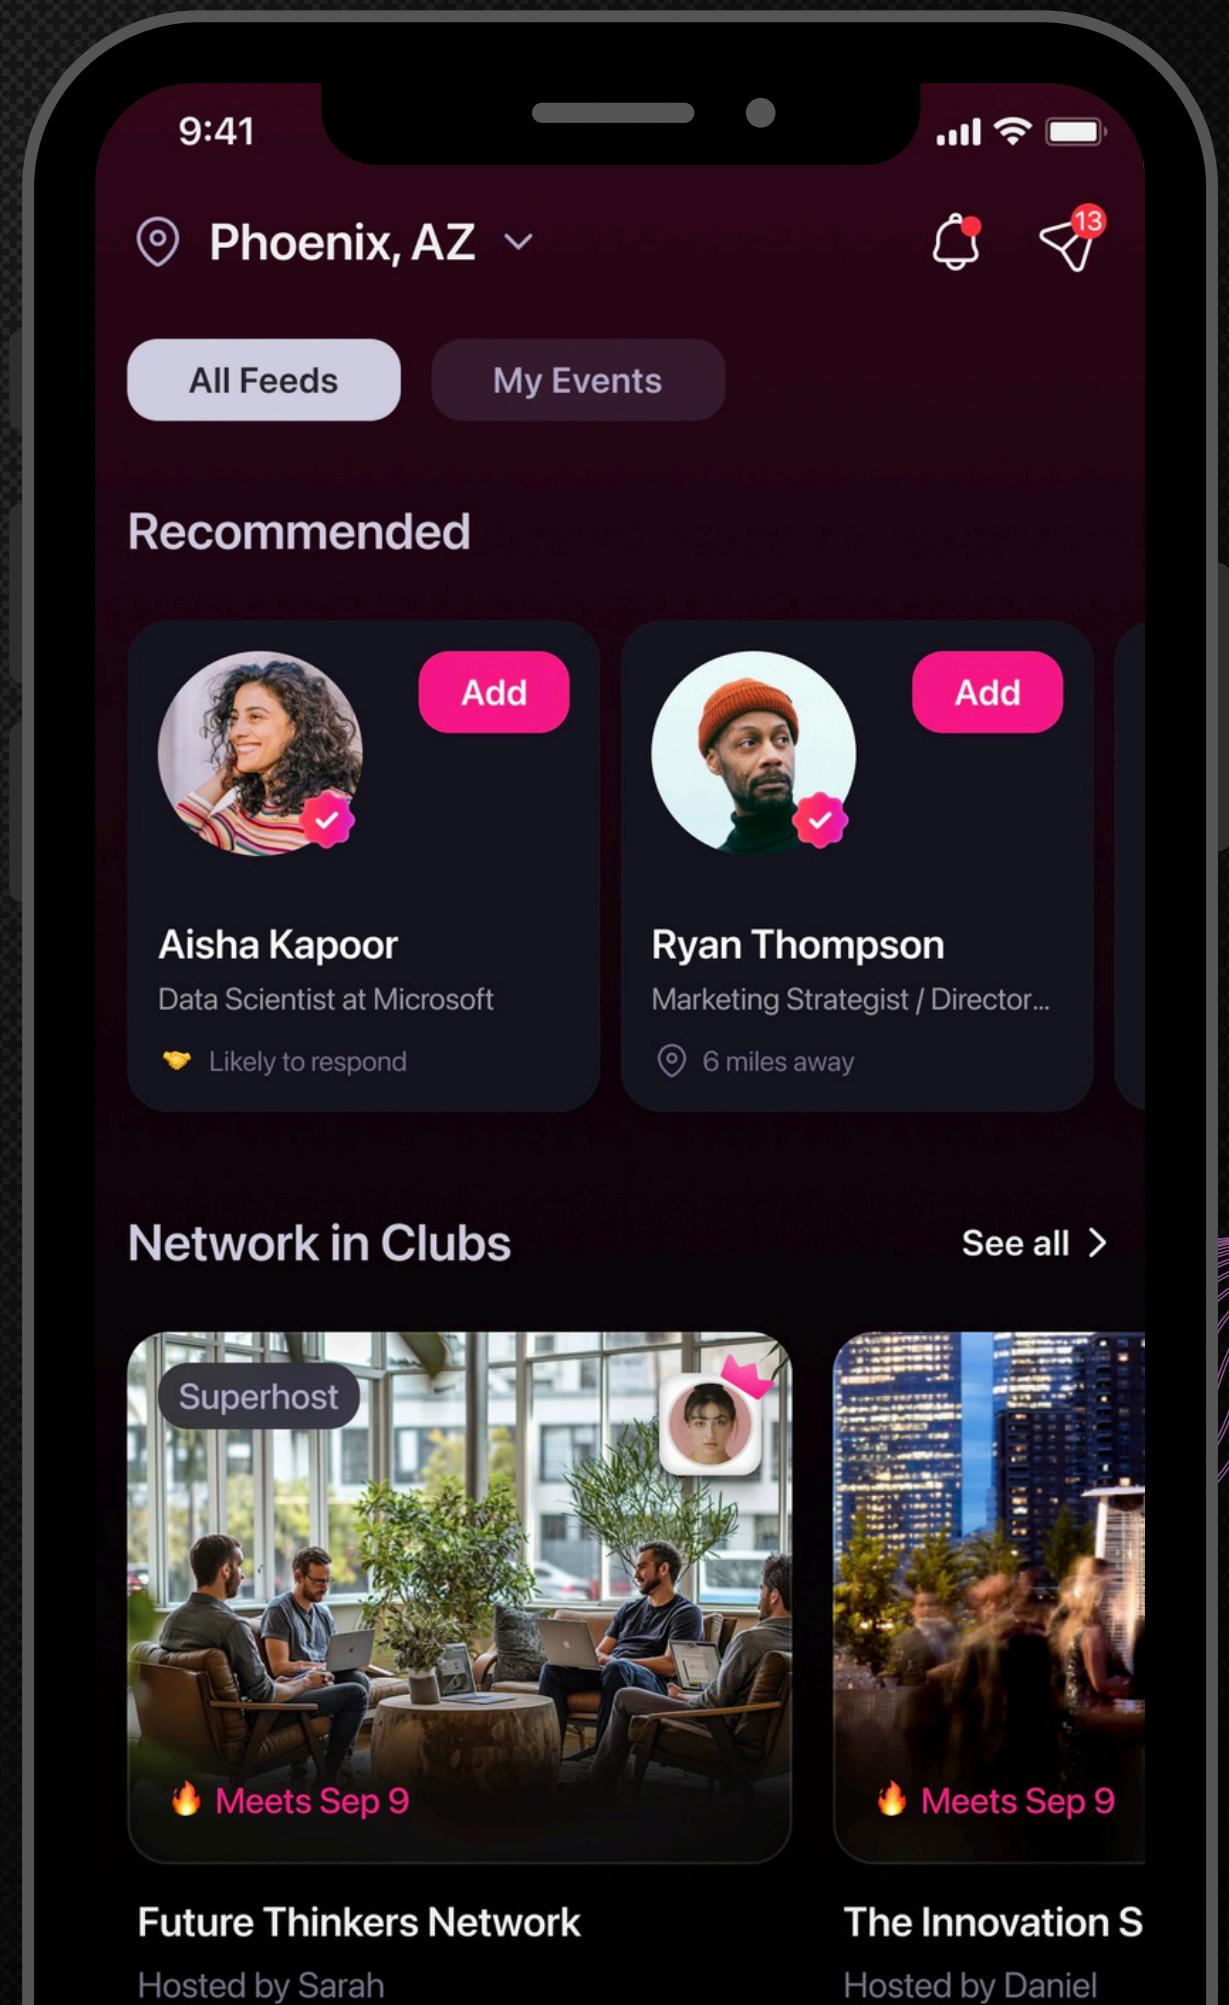

Content consumption is prioritized over connection

Solution

LinkedIn + **Meetup** =
clockout

The first platform that allows modern professionals to build a real, powerful network in their area.

What sets Clockout apart

1

People are the focus

No posts, likes, or endless scrolling. The focus on Clockout is the people.

2

Local network building

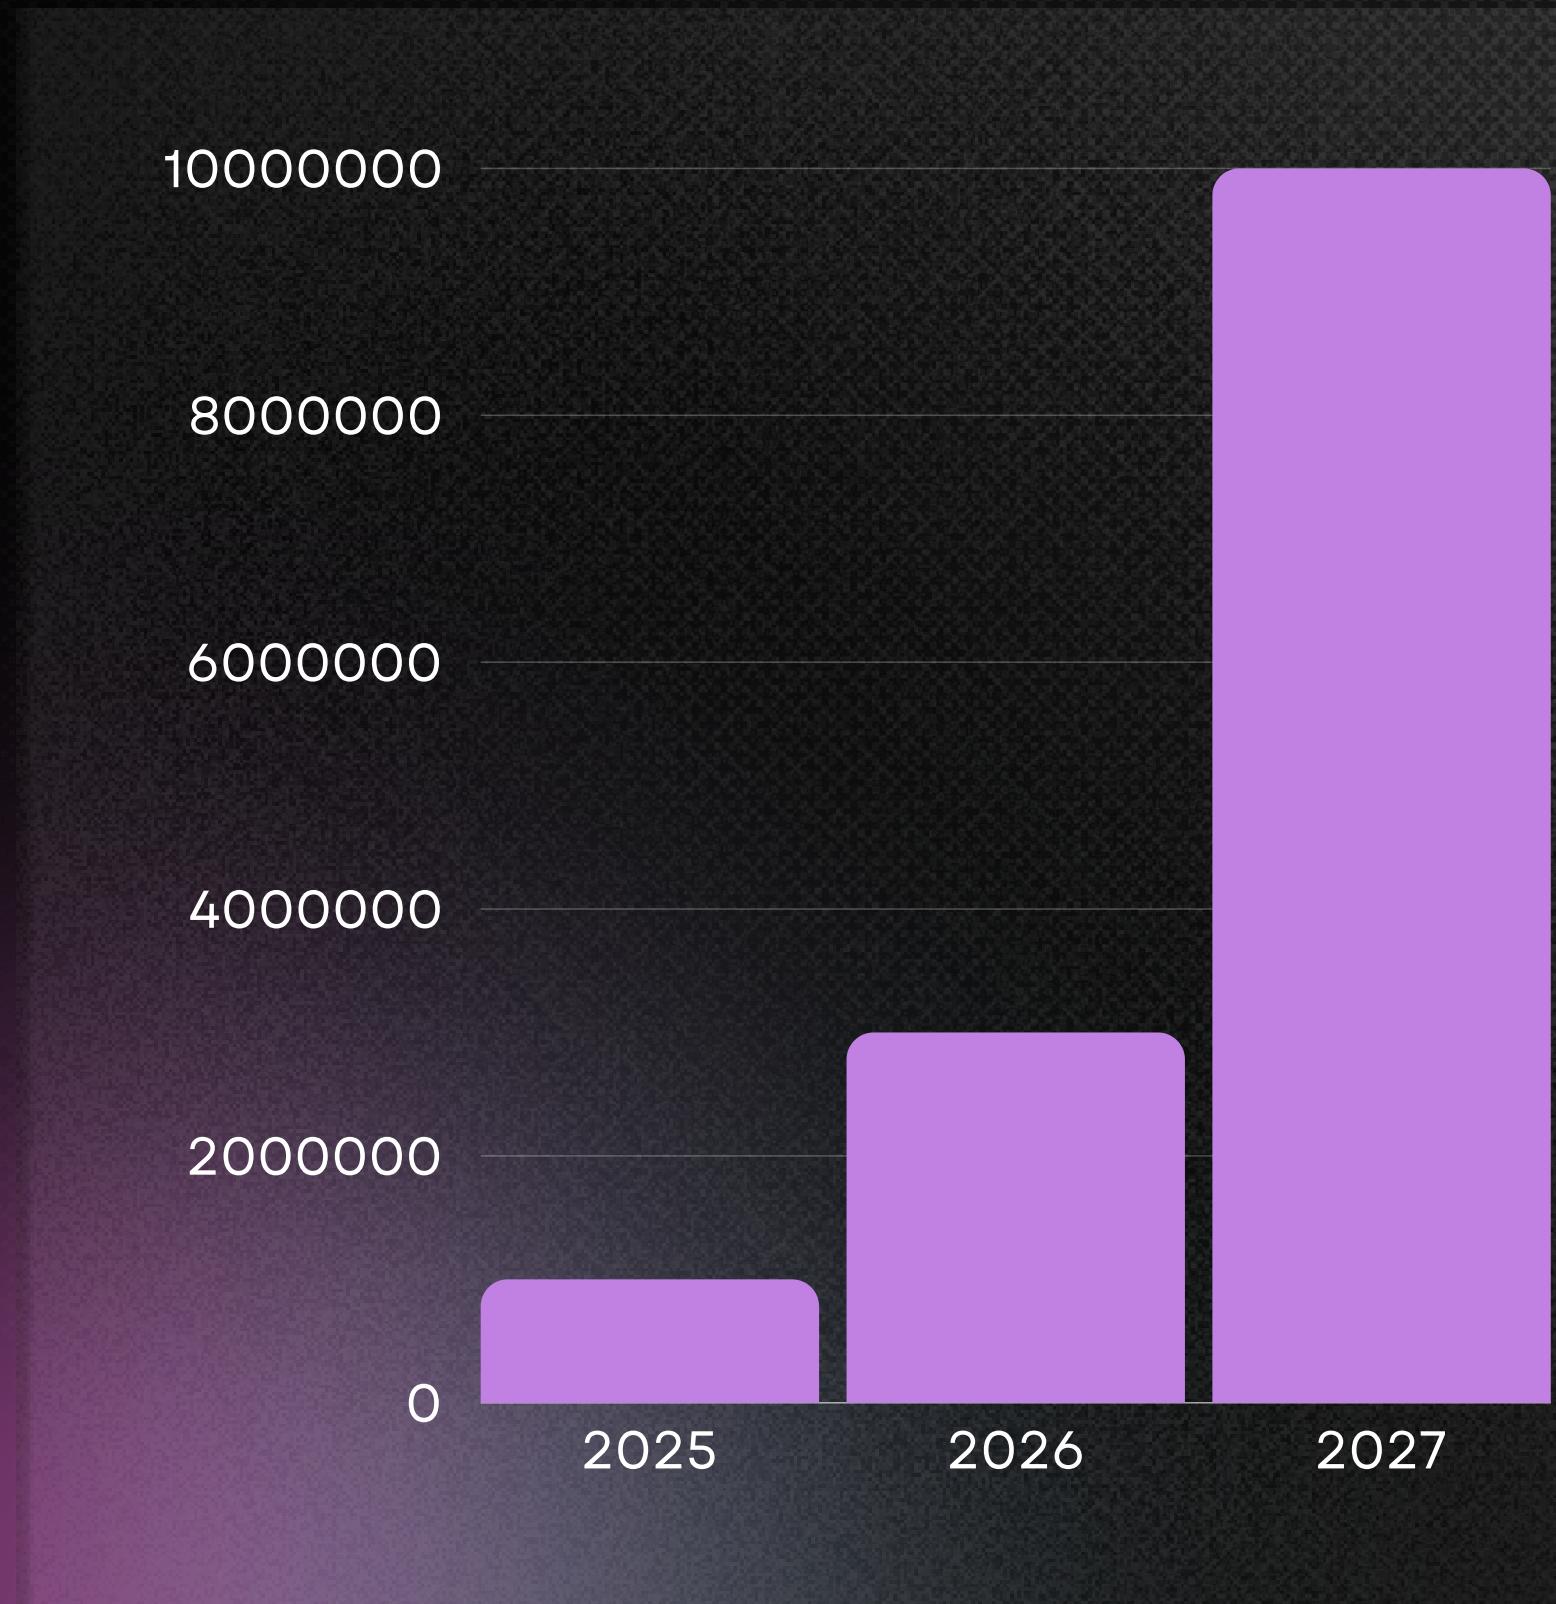

Our algorithms and communities help you build a powerful local network.

3

30x easier to chat with others

Our casual interface means people chat naturally - no 3-paragraph pitches to ask someone for a coffee.

Business Model - a \$100M ARR Business

User subscriptions

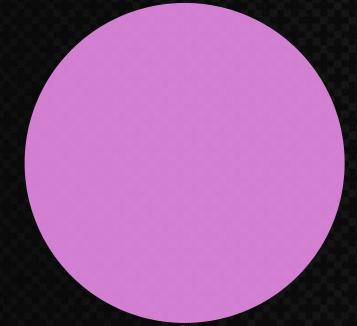

\$20-\$50/mo to unlock premium networking tools

Featured communities

\$2000/mo for major visibility boost among high-caliber professionals; targeted at brands

Corporate integration

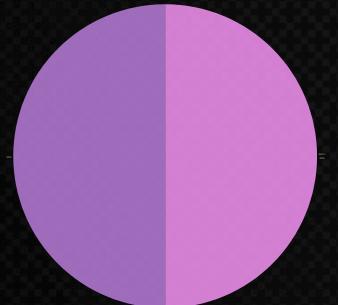

Bulk premium discounts for corporates to include in benefits package; \$3/employee/mo
